**Main Navigation**

There are quick links to allow you to send your fundraising message via text and social media. After sending a text to your phone, you can also copy and paste that link on any social media site or blog to promote your donation requests. You also have the ability to check on your personal sales, see who has opened the email, who has donated and check on team sales. In addition, you have the ability to view messages from your coach or administrator.

If you have any questions please contact Ken Ward at [Ken@NexxSolutions.com](mailto:Ken@NexxSolutions.com).

## Parent information sheet

### What is Rewards

- Rewards is a technology-based fundraising program that raises immediate donations for schools using the Rewards 365 program, as well as, year-long funds via a co-branded Rewards website.
- *Rewards 365* is a Mobile app-based fundraiser, where donation requests are sent out via email, text, and social media.
- The schools Rewards website provides access to deals and savings that can't be found anywhere else and every purchase made creates donations for your schools.
- Unlike other fundraisers, Rewards 365 also rewards parents for their fundraising efforts, while supporting the local community.

### What to do?

- Before launch date, student/parent inputs as many email as you can (minimum 30). Emails for friends, family, and even co-workers are suggested. The more emails, the more opportunity for people to donate.
- Parents are encouraged to enter their own email address and donate, in order to receive free Gold Membership.
- During campaign, student/parent continues to input emails and share via social media and text messages.
- No product sales!
- Each student's goal is to raise \$200.
